DIGI PLUS-LINE **Electr. Digital Micrometer**
DIN 863

- with small anvil measuring surfaces
- Absolute Measurement System (ABS-system)
- with data output RS232 C
- LCD display with clear reading, digit height 7 mm, mm/inch switchable
- frame lacquered, with insulation plates
- carbide surfaces, lapped, spindle hardened and ground
- ABS/INC measurement system
- zero setting at any position, On/Off button
- locking wheel for quick and precise fixing
- with ratchet for constant measuring pressure
- incl. 1x 1.5 V battery (type LR44, art.-no.: 2020192/B), with operation manual
- from up 25 mm with setting gauge

Option

- data transfer via cable, art.-no. 2323100, see page 304

	LR44 1.5V	ABS/INC		UNIT	RS232 C
	NORM	CE	TC	WARRANTY 2 YEARS
